

## 2023 Mengshi 917 Pure Electric Luxury Large SUV CATL Battery Range 505km 195km/H

### Our Product Introduction

#### Basic Information

- Place of Origin: China
- Brand Name: Dongfeng Mengshi
- Certification: VDA, TUV ,ISO
- Model Number: Mengshi 917
- Minimum Order Quantity: 1
- Price: \$87000/units
- Packaging Details: by sea, by trailer, rail via containers, LCL and RO-RO vessel
- Delivery Time: 7 working days
- Payment Terms: L/C, D/A, D/P, T/T, Western Union, MoneyGram
- Supply Ability: 1-10 units 15 - 20 working days, 10-30 units 20-30 working days, 30-50 units ≥30 working days

#### Product Specification

- Color: Dark
- Length\*Width\*Height (mm): 4987x2080x1935
- Max Speed: 195 Km/h
- Steering: Left
- Seats: 5
- Fuel: Pure Electric
- Battery Type: Ternary Lithium Battery
- Product Name: Mengshi 917
- MAX. Range: 505km
- Touch Screen: Yes
- Highlight: Mengshi 917 Pure Electric SUV ,  
505km Range Pure Electric SUV ,  
195km/H Pure Electric SUV

### Mengshi 917 Car Display

The emergence of the Mengshi 917 can be considered as breaking consumers' impression of traditional tough off-road driving. The overall design of the new car is domineering, with a tough body, sharp lines, and strong impact. With a length of nearly 5 meters and a wheelbase of nearly 3 meters, the Mengshi 917 further highlights its domineering and tough style. However, the interior is still very technological, equipped with three large screens, in line with the mainstream design of "big screens". This extended range model adopts a three motor layout, with a pure electric range of up to 200 kilometers and only requires 92 octane gasoline, making the cost of using the car quite low.
