Product Description

Voyah Free 2024 Hybrid Car Extended Range Electric Car 4WD SUV Luxury Ev Car Voyah

Product Description

Voyah Free SUV is a luxury electric SUV that leads the trend, perfectly integrating superior driving experience with advanced technology and redefining new standards for modern urban travel.

In terms of appearance design, Voyah Free SUV adopts a streamlined design full of dynamism. The body, presented in a luxurious metal texture, showcases its noble and unique style everywhere. LED headlights and a unique logo, like a finishing touch, make the whole vehicle more vibrant.

The interior is dominated by comfort and a sense of technology. The seats are made of high-grade leather, with extremely high comfort. The center console is equipped with a large touch screen that is easy to operate and rich in information. The instrument panel adopts the latest AR technology, perfectly combining driving information with the navigation system to allow drivers to more intuitively grasp the vehicle's condition.

The highlight of Voyah Free SUV lies in its advanced electric drive system. This system adopts the latest battery technology, with a driving range of up to 500 kilometers, and a very fast charging speed, only taking 30 minutes to fully charge 80% of the battery. In addition, the vehicle is equipped with a full-wheel drive system to ensure stability and passability under complex

Our Product Introduction

road conditions.

In terms of safety configuration, Voyah Free SUV also performs excellently. It is equipped with the latest driving assistance system, including functions such as automatic braking, lane keeping, and automatic parking. At the same time, its sturdy body structure and comprehensive passive safety system also provide all-round protection for drivers and passengers.

Overall, Voyah Free SUV is an electric SUV that combines elegance, luxury, technology, and safety. Whether driving in the city or taking on off-road adventures, it can provide you with the ultimate driving experience.
